

Bequests

Have you made provisions in your will to benefit the San Diego Lions Scholarship Foundation? Bequests are the most popular type of planned gifts. Anything you leave to a charitable organization will reduce your taxable estate while helping a good cause. You can leave a *specific bequest* of a specified sum of money or a particular piece of property to us. Other options are to leave a *percentage* of your estate or a percentage of the residue to us after making provisions for family and friends. For instance, you could leave us a specific bequest of \$5,000, or you could leave us 10 percent of the residue of your estate.

Please consult your tax specialist or an attorney on the above information.
